Funded Childcare

Government funded childcare is available through the 15 and 30 hour schemes, depending on your child's age and your family's eligibility. Eligibility is determined by the government and, where applicable, requires parents to apply for and maintain a valid funding code.

At Milkyway day nursery we spread the funding out across 48 weeks. This means that 12/24 hours of funding is applied to your sessions weekly depending on eligibility.

The government funding does not include any consumables therefore there is an optional charge of lunch and tea.

Lunch for funded only	£4.50
Tea for funded only	£2.50

Further Information on Fees

Fees are payable 52 weeks a year (This includes holidays and bank holidays) and are paid one month in advanced.

Extra Hourly rate is charged at £10 per hour.

A non-refundable deposit of £50 will secure your child's place.
